Thanks! Good briefing today, too.

Subject: LPR Justification Template

Andrew –

Attached is the LPR justification template so it can be added to Teams. This has already been sent to the consultants, but I have not heard back yet if they have any suggested changes.

I also attached the quote for the additional 104 LPR cameras, if the City elects to expand the program from the original 31 cameras, to 135.

I hope you have a great holiday weekend.

Dan
